Strictly Swing Contests

Sign up with your partner. We pick the music. Different skill levels are offered. Each is a separate contest. Couples will dance in heats for several short songs. If more than 15 couples enter a division there will be a preliminary contest followed by a final round. Judges will evaluate the couples based on their demonstration of good social dancing skills, timing, technique, connection, lead and follow, presentation and showmanship.

- Matching costumes and props are not allowed. Coordinating attire is acceptable
- The same partners may not dance together in a Strictly Swing contest and a choreography contest.
- This contest is gender neutral. You may lead at one level and follow at the next higher or lower level.
- You may not enter 2 levels dancing the same role.
- You may not enter the same level dancing both roles.
- A couple must enter the highest skill level either of them qualifies for based on WSDC points.

(5) Strictly Swing contests are offered.

- **Newcomer/Novice, Intermediate, Advanced:** For these divisions a couple must enter the highest level either partner qualifies for based on the WSDC points they have earned and the WSDC level criteria for Jack & Jill.
- **Open:** This division is open to all levels but is designed to offer a contest at the highest level of the event. It recommended that you qualify for All Star or Champions for entry into this division.
- **Masters (50+):** Both partners must be 50 years of age or older. Because this is an age requirement rather than a skill level requirement you may also enter another Strictly Swing contest at the appropriate skill level if you wish.

Routine Contests

Bring your partner, your music and your dance routine. It's all about the show! Routines are danced in a solo format. Dance order is chosen at random and posted prior to the division start time. Your music must be turned in to the contest DJ at the floor trial for your event. It must be a single file, clearly labeled on a USB thumb drive. Alternately, you can email the file to our routine division DJ Tim Johnson (djtj@dancefanatics.com) 24hrs in advance. If you need your music's tempo altered, started in the middle of the track or an early fade out, please have someone edit your music in advance.

- Performance must be at least 2 minutes and no longer than 3 minutes for Rising Star and ProAm routines. Invitational Jack & Jill has a minimum of 1 minute 30 seconds and a maximum of 5 minutes. Bookends routines should be a minimum of 2 minutes and a maximum of 4 minutes (this includes any choreographed entrance, exit and bow).
- Choreographed entrances are counted towards the time limit.
- Costumes are encouraged. Props are not allowed (except in Bookends).
- Lifts, drops, tricks and stunts are allowed but not required.
- There are specific times scheduled for competitor floor trials listed on the schedule.
- Restarts will only be allowed in cases of:
 1. Music malfunction/Technical problem.
 2. Wardrobe/Costume malfunction.
 3. Head Judge stops the couple.

Jack & Jill Contests

Enter as an individual. Dance with a randomly chosen partner. The DJ picks the music. There are contests for many skill levels. Onsite registration for all Jack & Jill is limited. There are strict entry deadlines published in advance. You must enter before the deadline. Jack & Jill contests allow individuals to enter without a partner and demonstrate skills in spontaneous dancing with a variety of partners. There is an inherent "luck of the draw" factor involved. Leaders and followers are randomly paired. There will be several partner changes during the preliminary and semi-final rounds. Competitors are scored individually on timing, technique and teamwork in the preliminary heats. Those scoring the highest will be called back later to dance in a final round. In the final, individuals are randomly paired, then scored as a couple. The DJ picks the music. Tempo and style will vary. All songs will be appropriate for the dance division entered. There are significant cash prizes awarded to the winners. The amounts are based on the number of entries in each division.

- You may only enter 1 level of Jack & Jill (excluding Masters).
- This contest is gender neutral. You may enter this contest only one time as a leader or follower.
West Coast Swing Jack & Jill Levels - The (WSDC) World Swing Dance Council Points Registry is used to determine eligibility for the West Coast Swing Jack & Jill skill levels. Current WSDC point information is available on the [World Swing Dance Council Webpage](#) for anyone to look up which division they have qualified for. Competitors are expected to honor this system. You may only dance in a level other than what you qualify for by petitioning the chief judge or event director at least 48 hours in advance. WSDC registry documents have been recently updated.
(7) West Coast Swing Jack & Jill contests are offered.
- **Newcomer, Novice, Intermediate, Advanced, AllStar and Invitational** – These contest levels are governed by the [World Swing Dance Council Points Registry](#). Please go to the website to ensure you enter the appropriate level contest. If you are new to competing you will begin in newcomer. If you feel this doesn't accurately reflect your level of dance you may petition with the chief judge prior to the contest. (Invitational is by invitation only)
- **Masters (50+) Novice and Open** - These divisions are for competitors age 50 and over. Master Novice is for those dancers that are Novice level or lower competitors as defined by the World Swing Dance Council. Masters Open has no points requirements however is considered to be all Masters dancers with a skill level which exceeds Novice as defined by the World Swing Dance Council. You may enter Masters Novice or Open and another swing Jack & Jill contest at the skill level you are qualified for.

Relative Placement Scoring

This system used to determine winners in final rounds. It was adapted from the figure skating system and is now widely used at major dance competitions. It minimizes the impact of a rouge judge's mark and recognizes the most consistently scored entry. An equal numerical value is assigned to each Judge's raw scores, so that each Judge has an equal vote in the final outcome. A very detailed explanation of this system with examples can be found in the [World Swing Dance Council Library](#).
